

# Wylie Pirate Baseball Contract

1. I will strive to be the best I can be in the classroom as well as on the baseball field.
  2. I will conduct myself with class and high character as a person as well as a player.
  3. I will be on time every day for practice and for game days wearing my correct uniform or workout gear.
  4. I will strive to be a complete baseball player by taking the necessary repetitions needed to execute the fundamentals of baseball on a daily basis.
  5. I will accept constructive coaching to make myself a better player.
  6. I believe if I study the game, there is always something I can learn to improve my game.
  7. There is always at least one part of my game that can be improved. Therefore, sitting down at practice is not acceptable or tolerated.
  8. I will avoid being over confident. One of the greatest disservices that I can do to myself and my teammates is not to respect my opponent.
  9. I am willing to work every day to improve our baseball complex and to help with any field maintenance.
  10. I will avoid the comfort zone. The comfort zone is the place where I become satisfied with my individual or our team performances. If I enter the comfort zone, I will prevent myself and our team from reaching our potential. Great players and championship teams do not enter the comfort zone.
  11. I will play every game like it's my last game I am ever going to play, so I won't have any regrets.
  12. I will practice positive thinking and mental imagery to make me a better player. Mental imagery is where I see myself doing something successfully, before I do it....then doing it.
- \*\*Since baseball is a team sport, I believe the team is most important. It must be "We" before "Me" to help our team reach its potential. T.E.A.M. Together Everyone Achieves More.**
