

"Dream Builders"

"If you build it, they will come." Building dreams one athlete at a time...

We cordially invite you to participate as a Sponsor for the Wylie High School Pirate Baseball Program. As a sponsor, you will be supporting young athletes in the fulfillment of their dreams. Our mission is to

- Promote both athletic and academic excellence
- Promote the ideals of sportsmanship on and off the field
- Provide supplementary financial support to the baseball program
- Award a scholarship which contributes to the post-secondary education of a graduating senior
- Help maintain the history and tradition of the Wylie Pirate Baseball program

Your sponsorship helps to defray the costs involved in running the program. As an appreciation, we will announce your contribution during your designated sponsored home games.
